School Rules and Our Core Principle

All our school rules are based on the core principle of RESPECT: respect for self, respect for others and respect for St Mary's Diocesan school.

Respect For Self

Attendance

In order to make the most of the abilities and talents that they have, regular and punctual attendance is required of all students. If a student is absent from school, then his parents are asked to provide a written explanation in his Journal.

The School Journal

This is an essential tool in helping students to achieve their goals in school. Having their journal with them for every class is essential. Students must use it to take down reminders of their homework and other information. The journal should also be used for communication between school and home. Notes regarding absences and lates and notes to and from teachers should be recorded in the journal. Therefore, students must have their journal with them at all times.

Classwork

In class students are required to pay attention, do as requested by the teacher, and contribute as best they can to the learning process.

Homework

The Purpose of Homework

- Consolidate the work done in class
- Encourage self-directed study
- Promote creativity
- Help students to organise their own work

We regard homework as an important part of the learning process. We expect students to take time with their work, complete tasks on time and present their work well.

Our mobile phone policy is intended to minimise distractions during school hours. All mobile phones must be switched off and kept out of sight except during break times:

- before 8.57 am
- from 11.05 am to 11.20 am (2nd, 3rd & TY) or 10.25am to 10.40am (1st, 5th & 6th)
- from 1.20 pm to 2.00 pm (2nd, 3rd & TY) or 12.40pm to 1.20pm (1st, 5th & 6th)
- after our final lesson of the day has concluded

Mobile phones used outside permitted times may be confiscated. Taking photographs of or filming any member of staff or any student, and/or the misuse of mobile phones to engage in any form of bullying/ intimidation will result in serious sanctions.

Toilets may be used

Lockers

The use of lockers is currently suspended due to COVID-19 control measures. These measures will be reviewed periodically during the academic year.

Uniform

We want our students to have pride in their appearance. Our school uniform is designed to be a symbol of their pride in being students of St Mary's. We require students to wear the correct uniform to the exclusion of all other clothing. Non-uniform items may be confiscated.

Uniform Code

- Our uniform consists of navy trousers, white shirt, school tie, black shoes and school coat or fleece with school crest. Junior students (first, second and third year) wear a wine jumper with a navy band and school crest. Senior students (transition, fifth and sixth year) wear a navy jumper with a wine band and school crest. School tie must be worn when no jumper is being worn.

- No hoodies/hooded tops, sports team tops are to be worn. These may be confiscated. School Coats/Fleeces ONLY may be worn.

Health Promotion

St Mary's is a health promoting school. We want students to develop healthy habits and to change unhealthy ones. Therefore, we have the following rules:

- **SPORTS:** Each student is to be available when required to take part in games and other school activities.
- **SAFETY:** Student and staff safety is a priority for St Mary's. Running and/or boisterous behaviour in the corridors, the stairs or other public areas is not allowed. For comfort and safety, when walking, students are required to walk on the right-hand side of the corridor. For safety reasons, students are not allowed to leave the school grounds during the 11.05 break.
- **LUNCH TIME:** During lunch time the following rules apply:
 - o First, Second and Third Years must remain on site for lunch.
 - o TY, Fifth and Sixth Year students may leave but must return on time.
- **SMOKING:** Students are not allowed to smoke in the school or while in school uniform during school hours. This includes the use of E-cigarettes/Vaping. Breaking this rule may result in sanctions, including suspension.
- **ALCOHOL AND ILLEGAL DRUGS:** Students using or in possession of alcohol or any illegal chemical substance in school, in its vicinity or on school outings face serious sanction up to an including expulsion. Please see our substance use policy for further details.
- **TRIPS, TOURS and SCHOOL ACTIVITIES:** The school rules and the Code of Behaviour apply to all trips, tours and activities. Students who fail to respect them while on trips/tours out of the school will face serious sanction.

COVID-19 Response Plan

St Mary's Diocesan School has developed a COVID-19 response plan which is available on our website www.stmarysds.ie All students and parents should read and familiarise themselves with this document and adhere to all control measures outlined.

Respect For Others

Students are expected at all times to show respect for all staff and guests both within and outside school. This includes the wider environment and outside of school hours. This extends to the use of digital technologies, social networks, email and other digital communication tools or forums. Please see our acceptable use policy for more details.

The Right To Learn

Each student must respect the rights of other students to learn within their classroom.

Bullying

Students who are involved in bullying behaviour will be subject to serious sanctions. Students who are victims of bullying are encouraged to report any incidents of bullying to the school authorities. Where bullying leads to a child protection concern Tusla may be contacted. Please see our Anti-bullying Policy for more details.

Resolving Disputes

We want students to learn to resolve differences in a mature and responsible way. Aggressive behaviour by individuals or groups or incitement to such behaviour is against our core principle of Respect for Others and will not be tolerated. Where there are disputes between students, the parties to the dispute are encouraged to sort their differences by talking them out, not by hitting out either physically or verbally. Staff members are available to act as mediators if requested.
